Instructions

1. **Scout and Family Information.** This section identifies the Scout. A separate form is required for each Scout if there are multiple Scouts in the family seeking camperships.
2. **Family Needs.** Please describe the circumstances, including financial matters that require campership assistance for the Scout to attend camp.
3. **Unit Information & Endorsement** This section helps give the Program Director and committee a perspective of the Scout's participation in the unit. Attendance, scout spirit, participation in fundraising events, and the effort the Scout puts forth helps give a clear perspective of the Scout's attitude toward the Scouting program.
4. **Summer Program** This section enables us to identify which program the Scout will be participating in to ensure any Campership award gets credited appropriately.
5. **Campership Request** This section helps to determine the ultimate Campership request. Please remember camperships are not guaranteed, and it is possible that only a partial campership may be granted. The amount of the campership awarded will be based on financial need as well as the amount of funds available to be awarded. Therefore, the full amount requested may not be awarded. As a rule, camperships will not exceed 50% of the cost to attend camp. Camp fees used in calculations are based only on the most discounted fee so early request are helpful. Please allow a minimum of two weeks for approval. An effort should be made on the part of the family and the unit to help cover the cost of expense.
6. **For Council Use Only.** This section will be completed by the Council's Campership Committee.

Please mail applications to:
